Midway University Student Handbook.....

Welcome to the Midway University community!

As you begin your educational journey with us, we hope you will take advantage of the services and programs we provide to enhance your learning experience, develop as an individual, and connect with faculty, staff, and other students.

Please take advantage of our student success center including academic support, advising, and career services; library; health services; campus ministry; and student affairs office. These resources are specifically designed to support all of our students. Many extracurricular clubs, activities and athletics are also offered throughout the year, and we hope that you will become actively involved in all components of our campus community. You will find these services and programs outlined in this handbook.

It is an exciting time at the University. We are very happy that you have joined us.

Sincerely,

Dr. John P. Marsden

President
