Midway University Student Handbook.....

Welcome from Student Affairs!

As a Midway University student, it is my hope that you have an amazing year making new friends, while involving yourself in the campus community through groups, activities and athletic events. I also hope that you take the opportunity to expand your interest and knowledge through the great academic programs and other learning opportunities provided to you by the University.

This handbook is designed to serve as a resource and guide for you during your time at Midway. Included in the handbook is information regarding our community standards and expectations for appropriate conduct and behavior in an academic environment. Additionally, you will find detailed information on residence life policies, student involvement and activities, campus resources, and campus safety.

The information found in this handbook is accurate as of the date of its publication. The Student Handbook is an online publication. All students are expected to be familiar with the Midway University policies and regulations described in this handbook, the Academic Catalog, and other official publications of the University. Printed copies of this handbook are available by contacting the Office of Student Affairs.

Please be sure to visit the Office of Student Affairs if we can provide information or service for you. We're located in the McManis Student Center.

I hope that you have a great year at Midway University.

Sincerely,

Dr. Heath Morgan

Vice President of Student Affairs and Dean of Students
